Every such employee, agent and sub-contractor shall have the benefit of all the terms herein benefiting the Company as if such terms were expressly provided for his or its benefit. In case the Customer does not receive the notice dispatched by the Company asking the Customer to provide General Average and/or Salvage security, such shall not affect the Company's aforesaid right to sell or dispose of the goods. 6. If such goods are handled by the Company under arrangements previously made in writing, they may nevertheless be destroyed at the risk and expenses of the Customer or the Owner in the sole discretion of and without any liability to the Company on account of risk to other goods, property, life or health. The goods that are likely to cause damage include goods that are likely to encourage vermin or other pests.

7. Except under special arrangements previously made in writing, the Company will not deal with bullion, bank notes, coins, cheques, bonds, negotiable documents and securities, precious stones, precious metal objects, jewellery, valuables, antiques, valuable works of art, livestock or plants. Should the Customer nevertheless deliver any such goods to the Company or cause the Company to handle any such goods otherwise than under special arrangements previously made in writing, the Company shall be under no liability whatsoever in connection with such goods (including any loss, damage, misdelivery, misdirection or delay howsoever caused) and notwithstanding that the value of any such goods may be shown, declared or indicated on any documents accompanying such goods.

8.1. If delivery of the goods is not taken by the Customer or the Owner at the time and place when and where delivery should be taken, the Company shall be entitled (but is not obliged) to store the goods at the sole risk of the Customer and the Owner, whereupon any liability which the Company may have in respect of the goods stored as aforesaid shall wholly cease and the cost of such storage shall be paid by the Customer to the Company.

8.2. The Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of all goods which in the opinion of the Company cannot be delivered either because the consignee's address is incorrect or because the goods are not collected or accepted by the Customer within 14 days after notice has

been dispatched to the Customer's address, e-mail address or fax number last known to the Company. In case the Customer does not receive the notice dispatched by the Company asking the Customer to take delivery of the goods, such shall not affect the Company's aforesaid right to sell or dispose of the uncollected goods. In case the Customer does not receive the notice dispatched by the Company asking the Customer to pay the outstanding monies, such shall not affect the Company's aforesaid right to sell or dispose of the goods. The Customer is responsible for payment of all costs and expenses (including but not limited to storage costs and demurrage charges) being incurred when the goods are being liened.

9.1. The Customer shall pay to the Company all sums immediately when due without deduction on account of any claim, counterclaim or set-off. Payment to the Company is due as soon as an invoice is rendered to the Customer. For any amount unpaid within 30 days from the date of the invoice, the Company shall be entitled to interest from the date of the invoice until payment at 2% per month.

9.2. If the shipment is on the freight collect basis but the consignee does not take delivery of the goods within 14 days from the date of the goods' arrival at the place of delivery, the Customer shall be responsible for payment of all the outstanding freight charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are duly delivered or are sold or disposed of as per Clauses 8.2 and/or 8.3.

10.1. The Company shall be entitled to sub-contract on any terms to any agents or sub-contractors the whole or any part of the Services whatsoever undertaken by the Company.

10.2. The Company reserves to itself absolute discretion as to the means, the manner, the routes and the procedures to be followed in the performance of the Services including the carriage, the storage and the other handling of the goods. The Company has liberty to use any means, routes or procedures, including using any vessel or stowing the goods on or under deck. Anything done in accordance with the aforesaid discretion or liberty shall not be a deviation of whatsoever nature or degree.

11. If there is any loss, damage, deterioration, non-compliance or miscompliance of instructions, non-delivery, misdelivery (other than the ones described in Clauses 12.1 and 12.2), unauthorised delivery or misdirection of or to or in connection with the goods that arises from the negligence or mistake of the Company or that arises from the negligence, mistake, wilful default or deliberate wrongdoing of the Company's employee, agent or sub-contractor, the Company shall be liable for any claim relating to the aforesaid incident. However, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods in respect of which a claim arises.

12.1. If there is any misdelivery of goods without production of Bill of Lading negligently or deliberately done by the Company's employee, agent or sub-contractor that has no instruction or prior approval of the Company, the Company shall be liable for any claim relating to the aforesaid misdelivery of goods. However, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods misdelivered.

12.2. If the Company's employee, agent or sub-contractor negligently or deliberately misdelivers the goods to a person (not entitled to receive the goods) without the Company's instruction or prior approval, the Company shall be liable for any claim relating to the aforesaid misdelivery of goods. However, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods misdelivered.

13. Notwithstanding any other terms in these Conditions to the contrary but subject to Clauses 2.3 and 2.5, the Company shall not be liable for any claim relating to:

- any delay, goods shut out or off loaded, goods' departure or arrival time; or
- any special, incidental, indirect, consequential or economic loss (including but not limited to loss of market, profit, tax, tax return, revenue, business or goodwill); or
- any loss, damage, expense or cost arising from fire, flood, storm, typhoon, explosion, port or airport congestion, deviation, strike, lock out, stoppage or restraint of labour

even if the aforesaid incident arises from the negligence or mistake of the Company or from the negligence, mistake, wilful default or deliberate wrongdoing of the Company's employee, agent or sub-contractor. However, if the Company is still legally held liable for the aforesaid claim despite the aforesaid provision, the Company's liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods in respect of which the claim arises.

14. If there is any claim that the Company is legally held liable, and no other terms in these Conditions (limiting or excluding the Company's liability) are suited to that claim, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods in respect of which the claim arises.

15. The Company may accept liability in excess of the limits set out in Clauses 11, 12.1, 12.2, 13 and 14 provided that (i) the value of the goods has been declared in writing by the Customer and accepted by the Company and (ii) the Customer pay to the Company additional charges as decided by the Company. Details of the additional charges will be provided upon written request by the Customer. The declared value accepted shall be the Company's limit of liability and shall replace the limits in Clauses 11, 12.1, 12.2, 13 and 14.

16. All and any Services provided by the Company gratuitously are provided on the basis that the Company will not accept any liability whatsoever.

17. It is agreed that superficial rust, oxidation, discoloration, or any like condition due to moisture is not a condition of damage but is inherent to the nature of the goods, and acknowledgement of receipt of the goods by the Company in apparent good order and condition is not a representation that such conditions of rust, oxidation, discoloration, or the like did not exist on receipt.

18. If the Services are or are likely to be affected by any risk, delay, hindrance, difficulty or disadvantage of any kind whensoever and howsoever arising (including but not limited to port or airport congestion, strike, lock out, stoppage, restraint of labour, and/or the Customer's failure to pay the Services charges that have been outstanding for 2 months or more), the Company may terminate and/or abandon the Services and place the goods at any place for the Customer to dispose of the goods, whereupon the Company's liability and responsibility in respect of the goods shall cease. If the Customer does not dispose of the goods within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company, the Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of the goods at the expense of the Customer. In case the Customer does not receive the notice dispatched by the Company asking the Customer to dispose of the goods, such shall not affect the Company's aforesaid right to sell or dispose of the goods. The Customer is responsible for payment of all the outstanding Services charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are disposed of or sold.

19. Any claim against the Company must be in writing and delivered to the Company within 14 days from the date of delivery of the goods or the date the goods should have been delivered or the date the Customer first knows about the event that may give rise to the claim, whichever is the earliest. If the Customer fails to deliver the aforesaid written claim notice to the Company and thereby prejudices the Company's position in the claim, the Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of the claim.

20. The Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of the Services unless suit is brought against the Company in the courts of the Hong Kong Special Administrative Region within nine months from the date of delivery of the goods or the date the goods should have been delivered or the date of the event giving rise to the claim, whichever is the earliest.

21. The defences, exemptions and limitations of liability provided for in these Conditions shall apply in any action against the Company whether such action is founded in contract or in tort.

22. These Conditions and any contract with the Company shall be governed by the laws of the Hong Kong Special Administrative Region (with the exception of the Contracts (Rights of Third Parties) Ordinance). Any claim or dispute must be determined exclusively by the courts in the Hong Kong Special Administrative Region and no other court.

It is agreed that superficial rust, oxidation, discoloration, or any like condition due to moisture is not a condition of damage but is inherent to the nature of the goods, and acknowledgement of receipt of the goods by the Company in apparent good order and condition is not a representation that such conditions of rust, oxidation, discoloration, or the like did not exist on receipt.

18. If the Services are or are likely to be affected by any risk, delay, hindrance, difficulty or disadvantage of any kind whensoever and howsoever arising (including but not limited to port or airport congestion, strike, lock out, stoppage, restraint of labour, and/or the Customer's failure to pay the Services charges that have been outstanding for 2 months or more), the Company may terminate and/or abandon the Services and place the goods at any place for the Customer to dispose of the goods, whereupon the Company's liability and responsibility in respect of the goods shall cease. If the Customer does not dispose of the goods within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company, the Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of the goods at the expense of the Customer. In case the Customer does not receive the notice dispatched by the Company asking the Customer to dispose of the goods, such shall not affect the Company's aforesaid right to sell or dispose of the goods. The Customer is responsible for payment of all the outstanding Services charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are disposed of or sold.

19. Any claim against the Company must be in writing and delivered to the Company within 14 days from the date of delivery of the goods or the date the goods should have been delivered or the date the Customer first knows about the event that may give rise to the claim, whichever is the earliest. If the Customer fails to deliver the aforesaid written claim notice to the Company and thereby prejudices the Company's position in the claim, the Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of the claim.

20. The Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of the Services unless suit is brought against the Company in the courts of the Hong Kong Special Administrative Region within nine months from the date of delivery of the goods or the date the goods should have been delivered or the date of the event giving rise to the claim, whichever is the earliest.

21. The defences, exemptions and limitations of liability provided for in these Conditions shall apply in any action against the Company whether such action is founded in contract or in tort.

22. These Conditions and any contract with the Company shall be governed by the laws of the Hong Kong Special Administrative Region (with the exception of the Contracts (Rights of Third Parties) Ordinance). Any claim or dispute must be determined exclusively by the courts in the Hong Kong Special Administrative Region and no other court.

18. If the Services are or are likely to be affected by any risk, delay, hindrance, difficulty or disadvantage of any kind whensoever and howsoever arising (including but not limited to port or airport congestion, strike, lock out, stoppage, restraint of labour, and/or the Customer's failure to pay the Services charges that have been outstanding for 2 months or more), the Company may terminate and/or abandon the Services and place the goods at any place for the Customer to dispose of the goods, whereupon the Company's liability and responsibility in respect of the goods shall cease. If the Customer does not dispose of the goods within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company, the Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of the goods at the expense of the Customer. The Customer is responsible for payment of all the outstanding Services charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are disposed of or sold.

19. Any claim against the Company must be in writing and delivered to the Company within 14 days from the date of delivery of the goods or the date the goods should have been delivered or the date the Customer first knows about the event that may give rise to the claim, whichever is the earliest. If any such monies due to the Company are not paid within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company, the goods may be sold by public auction or private treaty or may be disposed of at the sole discretion of the Company at the expense of the Customer, and the proceeds if any (net of the expenses in connection with such sale) shall be applied in satisfaction of such debts, and the Company shall not be liable for any reduction in value received on the sale of the goods, nor shall the Customer be relieved from the liability of any outstanding debts merely because the goods have been sold or disposed of. In case the Customer does not receive the notice dispatched by the Company asking the Customer to pay the outstanding monies, such shall not affect the Company's aforesaid right to sell or dispose of the goods. The Customer is responsible for payment of all costs and expenses (including but not limited to storage costs and demurrage charges) being incurred when the goods are being liened.

9.1. The Customer shall pay to the Company all sums immediately when due without deduction on account of any claim, counterclaim or set-off. For any amount unpaid within 30 days from the date of the invoice, the Company shall be entitled to interest from the date of the invoice until payment at 2% per month.

9.2. If the shipment is on the freight collect basis but the consignee does not take delivery of the goods within 14 days from the date of the goods' arrival at the place of delivery, the Customer shall be responsible for payment of all the outstanding freight charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are duly delivered or are sold or disposed of as per Clauses 8.2 and/or 8.3.

10.1. The Company shall be entitled to sub-contract on any terms to any agents or sub-contractors the whole or any part of the Services whatsoever undertaken by the Company.

10.2. The Company reserves to itself absolute discretion as to the means, the manner, the routes and the procedures to be followed in the performance of the Services including the carriage, the storage and the other handling of the goods. The Company has liberty to use any means, routes or procedures, including using any vessel or stowing the goods on or under deck. Anything done in accordance with the aforesaid discretion or liberty shall not be a deviation of whatsoever nature or degree.

11. If there is any loss, damage, deterioration, non-compliance or miscompliance of instructions, non-delivery, misdelivery (other than the ones described in Clauses 12.1 and 12.2), unauthorised delivery or misdirection of or to or in connection with the goods that arises from the negligence or mistake of the Company or that arises from the negligence, mistake, wilful default or deliberate wrongdoing of the Company's employee, agent or sub-contractor, the Company shall be liable for any claim relating to the aforesaid incident. However, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods in respect of which a claim arises.

12.1. If there is any misdelivery of goods without production of Bill of Lading negligently or deliberately done by the Company's employee, agent or sub-contractor that has no instruction or prior approval of the Company, the Company shall be liable for any claim relating to the aforesaid misdelivery of goods. However, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods misdelivered.

12.2. If the Company's employee, agent or sub-contractor negligently or deliberately misdelivers the goods to a person (not entitled to receive the goods) without the Company's instruction or prior approval, the Company shall be liable for any claim relating to the aforesaid misdelivery of goods. However, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods misdelivered.

13. Notwithstanding any other terms in these Conditions to the contrary but subject to Clauses 2.3 and 2.5, the Company shall not be liable for any claim relating to:

- any delay, goods shut out or off loaded, goods' departure or arrival time; or
- any special, incidental, indirect, consequential or economic loss (including but not limited to loss of market, profit, tax, tax return, revenue, business or goodwill); or
- any loss, damage, expense or cost arising from fire, flood, storm, typhoon, explosion, port or airport congestion, deviation, strike, lock out, stoppage or restraint of labour

even if the aforesaid incident arises from the negligence or mistake of the Company or from the negligence, mistake, wilful default or deliberate wrongdoing of the Company's employee, agent or sub-contractor. However, if the Company is still legally held liable for the aforesaid claim despite the aforesaid provision, the Company's liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods in respect of which the claim arises.

14. If there is any claim that the Company is legally held liable, and no other terms in these Conditions (limiting or excluding the Company's liability) are suited to that claim, the Company's aforesaid liability shall not exceed a total of 2 SDR per kilogram of the gross weight of that part of the goods in respect of which the claim arises.

15. The Company may accept liability in excess of the limits set out in Clauses 11, 12.1, 12.2, 13 and 14 provided that (i) the value of the goods has been declared in writing by the Customer and accepted by the Company and (ii) the Customer pay to the Company additional charges as decided by the Company. Details of the additional charges will be provided upon written request by the Customer. The declared value accepted shall be the Company's limit of liability and shall replace the limits in Clauses 11, 12.1, 12.2, 13 and 14.

16. All and any Services provided by the Company gratuitously are provided on the basis that the Company will not accept any liability whatsoever.

17. It is agreed that superficial rust, oxidation, discoloration, or any like condition due to moisture is not a condition of damage but is inherent to the nature of the goods, and acknowledgement of receipt of the goods by the Company in apparent good order and condition is not a representation that such conditions of rust, oxidation, discoloration, or the like did not exist on receipt.

18. If the Services are or are likely to be affected by any risk, delay, hindrance, difficulty or disadvantage of any kind whensoever and howsoever arising (including but not limited to port or airport congestion, strike, lock out, stoppage, restraint of labour, and/or the Customer's failure to pay the Services charges that have been outstanding for 2 months or more), the Company may terminate and/or abandon the Services and place the goods at any place for the Customer to dispose of the goods, whereupon the Company's liability and responsibility in respect of the goods shall cease. If the Customer does not dispose of the goods within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company, the Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of the goods at the expense of the Customer. In case the Customer does not receive the notice dispatched by the Company asking the Customer to dispose of the goods, such shall not affect the Company's aforesaid right to sell or dispose of the goods. The Customer is responsible for payment of all the outstanding Services charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are disposed of or sold.

19. Any claim against the Company must be in writing and delivered to the Company within 14 days from the date of delivery of the goods or the date the goods should have been delivered or the date the Customer first knows about the event that may give rise to the claim, whichever is the earliest. If the Customer fails to deliver the aforesaid written claim notice to the Company and thereby prejudices the Company's position in the claim, the Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of the claim.

20. The Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of the Services unless suit is brought against the Company in the courts of the Hong Kong Special Administrative Region within nine months from the date of delivery of the goods or the date the goods should have been delivered or the date of the event giving rise to the claim, whichever is the earliest.

21. The defences, exemptions and limitations of liability provided for in these Conditions shall apply in any action against the Company whether such action is founded in contract or in tort.

22. These Conditions and any contract with the Company shall be governed by the laws of the Hong Kong Special Administrative Region (with the exception of the Contracts (Rights of Third Parties) Ordinance). Any claim or dispute must be determined exclusively by the courts in the Hong Kong Special Administrative Region and no other court.
